

PGES READING OLYMPICS

Sponsored by PGES PTA

WHAT IS PGES READING OLYMPICS?

It is a reading program designed to motivate PGES students to read and to expose them to a variety of book genres.

HOW DOES PGES READING OLYMPICS WORK?

Students who participate and read books from category areas on their Reading List between April 1st of one year and the last Thursday of March of the following year will receive special recognition.

WHAT IF I AM PARTICIPATING IN OTHER READING MOTIVATION PROGRAMS?

Students participating in other reading motivation programs may count books read for those programs towards the PGES READING OLYMPICS program. (Remember you can only count the books started on or after April 1st.)

WHAT BOOKS MUST I READ?

Students must read books from each "CATEGORY AREA" on their READING RECORDING FORM.

WHAT DO I DO WHEN I HAVE READ A BOOK?

Record it on the READING RECORDING FORM. Remember a book can only be entered once on the form. (An Award Book can be entered either in their category list or as an Award Book.)

WHEN IS MY READING RECORDING FORM DUE?

The deadline for turning in the READING RECORDING FORM is the last Thursday in March.

WHAT ELSE DO I HAVE TO KNOW?

- The READING LIST is **only to help you find** books in that category area. You may read from the list but you may also find other books that fit under that category area by checking with a:
 - Librarian
 - Teacher
 - Reading Specialist
 - Parent
 - Recognized bibliography
- Credit will only be given for reading (aloud/silently) a book and/or listening to a book read in its entirety. We encourage the student to do most of the reading; however, some might need to have the books read to them (Kindergartners...). If the book is read to the student please have the student try to follow the words as they are read and have them read some of the words or phrases if possible.
- Viewing Television, film, DVD or video etc. adaptations of books cannot be counted.
- Students are encouraged to discuss their books with a parent, guardian, or teacher. (i.e., characters, plot, like or dislike, illustrations...).
- REMEMBER a book can be listed only once.
- REMEMBER to complete the **Award Books** section. Books for this area can be selected from any category but must be an award winner. **Please indicate on the READING RECORDING FORM next to the title the award it received** (i.e., Newbery, Caldecott, Coretta Scott King, IRA, ALA, Bluebonnet Winner...)
- Students are encouraged to use the public library as well as the school library to get the books for Reading Olympics.

WHAT DO I GET FOR PARTICIPATING?

At the May Awards Ceremony, students will receive the Ribbon Medallion (Gold, Silver or Bronze) that they earned.
